119 Blessing Homas 2009

The recent US financial crisis has created a chain-reaction impact worldwide; Greenspan called it a "Tsunami." During a fire ceremony held on 10/17/2008, Master Samantha received spiritual guidance from Avalokitesvara Bodhisattva to conduct 108 fire ceremonies (Homa) starting early 2009. This series of Homa will mitigate the crisis, pray for the prosperity of all, and bless the world with peace and auspicious. We sincerely invite you to join us and be empowered with merits and lucks. And, together, we can help countless people and make our world the better place!

The following 70 ceremonies (from 2/3 to 3/15) will be conducted by Vajra Master Samantha. Last update 2/2
