True Buddha School's Purple Lotus Temple 2007 Year End Activities is going to start again! This year, upon many members request to do Emperor Liang Repentance Ceremony. Sincere prayers to invoke ten directional Buddhas, Bodhisattvas to bestow blessings upon all. May everyone eradicate their karma hindrances accumulated since primordial time; May we then receive blessings for wisdom and fortune.

Since past years, there were many miracles responses due to Emperor Liang Repentance Ceremony. For example, a 15 years old Malaysian student was unconscious for 10 days. After his family registered his name for the Emperor Liang Repentance ceremony, he miraculously awaked and fully recovered after the ceremony was over. Furthermore a Malaysian Dharma Brother Mr. Lim got terminal cancer and a 88 years Canadian old man Mr. Wang were near their last moment of life, registered as Main Repentance Benefactors for the Ceremony; thus they passed away peacefully. Their cremation results have auspicious blessed colored Sariras (*Sariras are crystal like remains of highly saints and sages after a cremation. These rare 'indestructible' Sariras are physical proof that the individual has achieved a level of spiritual understanding*). In addition, incidences in Australia, where one Dharma Brother Le were fully recovered from gout after registered for the ceremony; A family reunion of a lost son who ran away years ago of Dharma sister Kown returned after she registered her son as a Repentance Benefactor.
